This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

LIST OF WORKS

RELATING TO THE

AMERICAN OCCUPATION OF THE PHILIPPINE ISLANDS

1898-1903

BY

APPLETON PRENTISS CLARK GRIFFIN
CHIEF BIBLIOGRAPHER

Reprinted from the
List of Books (with references to periodicals)
on the Philippine Islands
1903
With some additions to 1905

WASHINGTON
GOVERNMENT PRINTING OFFICE
1905

L. C. card, 5-20003.

Transferred to
General lib.
13-26-25

PREFATORY NOTE

As indicated on the title page, this is a reprint from plates of pages 145–177, 183–226 of the "List of books on the Philippine Islands," which were devoted to the American occupation of the Philippine Islands. There have been a few changes, namely, the addition of a few of the more important Government documents and of articles in periodicals published subsequently to the issue of the original list.

The list is issued to meet requests for titles on the policy of expansion in the acquisition of the Philippines.

For convenience a short list of pros and cons on the subject of expansion is given on pages 90–91.

Philippine information society. [Facts about the Filipinos.] 1st ser., [no.] 2-9; Dec. 25, 1900–Apr. 22, 1901.
Boston: 1900–1901. 8°.

Issued as separate pamphlets.
A revised edition of the series was published with the above title in semi-monthly numbers from May 1-Sept. 15, 1901.

Philippine information society—*Continued.*

There were three numbers announced, but not printed in the first edition (1, 10, and 11). No. 1, "José Rizal, the Filipino patriot," was never printed as a separate pamphlet, but a section of no. 1 of the revised edition is devoted to Rizal. Nos. 10 and 11 were issued under slightly changed titles as nos. 9 and 10, respectively, of the revised edition.

—— Facts about the Filipinos. Issued every other week by the Philippine information society. v. 1, no. 1–10; May 1–Sept. 15, 1901.
Boston: 1901. Map. 8°.

Forms the revised edition of the first series of publications of the society. The series as originally printed from Dec. 25, 1900–Apr. 22, 1901, was in 8 numbers (2–9) issued as separate pamphlets. Of the 3 other numbers announced (1, 10, and 11), no. 1 was never printed as a separate pamphlet, nos. 10 and 11 were issued as nos. 9 and 10, respectively, of the revised edition.

A letter from the secretary of the Society states that the "series was revised so that all the material contained in the series as first planned is contained in Facts about Filipinos."

The "Philippine review" forms the second series of publications of the society.

General index.

"The annexation of the Philippines is the immediate reason for this book, which, in dealing with the event itself, advocates withdrawal of our sovereignty from the islands, and suggests a method for its accomplishment."—Preface.

The Philippine question is first discussed from a constitutional standpoint; and in conclusion the author reviews the commercial and moral considerations involved in the retention of the Philippines.

——— Notes on the law of territorial expansion with special reference to the Philippines. Submitted to the Committee on the Judiciary of the Senate of the United States, March 16, 1900.

"Major part of volume consists of letters sent to N.Y. Evening Post," July, 1899–Feb., 1900.
"That the book is, in its general tenor, a pro-Filipino argument, I freely admit." *Author's note.*

Rockett, Perley Fremont. Our boys in the Philippines. A pictorial history of the war and general views of the Philippines. The natives, industries, habits, etc.
Published by P. Fremont Rockett, San Francisco, 1899. 88 pp. 85 plates (from photographs). Obl. 12°.

Roosevelt, Theodore. The first civil governor: William H. Taft.
(*In* The Philippines, pp. 9–28. New York, 1902. 8°.)

Sawyer, Frederic H. The inhabitants of the Philippines.
London: Sampson Low, Marston and company, 1900. xxviii, 422 pp. Plates. Portraits. Maps. 8°.

"The writer . . . was led to write this book by a wish to set forth the natives in a more favorable light than has been done by most recent writers. This more favorable estimate is extended also in part to the Spanish administration. The first half of the book deals with the general history, geography, resources, etc., of the group, while the second treats in detail of the various tribes, with abundant photographic illustrations."
Contains chapters on the religious orders, secret societies, resources, commerce, forests, minerals, the native races, with descriptions of Luzon, Mindanao, the Visayas, Palawan or Paragua. The American administration is also studied.

Schurman, Jacob Gould. Philippine affairs: a retrospect and outlook.
New York: Charles Scribner's sons, 1902. (6), 109 pp. 8°.

1899. Meteorology in the Philippines.
National geographic magazine, vol. 10 (July, 1899): 271–272.

"The official meteorological observer at Hongkong complained to the American authorities of the Philippines because the Jesuit observatory at Manila telegraphed warnings of typhoons to Hongkong. This, it appears, was held to be contrary to international courtesy, which forbids a scientific institution to predict storms in any country except that in which it is situated; and the Jesuits were accordingly forbidden to announce the routes of approaching typhoons in Hongkong and Singapore."
